Necessity of personal data for an investment in the Fund

The provision of certain personal data is necessary for shares in the Fund to be issued to any applicant and for compliance by the Fund and its service providers with certain legal and regulatory obligations. Accordingly, if certain personal data is not provided when requested, an application for shares might not be accepted or shares might be compulsorily redeemed.

Retention of personal data

How long the Fund holds your personal data for will vary. The retention period will be determined by various criteria, including the purposes for which the Fund is using it (as it will need to be kept for as long as is necessary for any of those purposes) and legal obligations (as laws or regulations may set a minimum period for which the Fund has to keep your personal data).
